| | projects, publishing, conducting refresher courses, seminars, conferences, workshops and symposia. |
| | seminars, conferences, workshops and symposia. |
| | 5) NSS Committee |
| | • To encourage various NSS activities within and |
| | outside campus. |
| | • To organize awareness programmes and welfare |
| | schemes in the adopted village. |
| | O Breats Carrow 111 |
| | 6) Sports Committee |
| | To plan various sports activities of an academic year. To plan for the improvement of the physical |
| | • To plan for the improvement of the physical education facilities available. |
| | To assign grants for the development of sports and |
| | • To assign grants for the development of sports and athletics. |
| | To identify and select talented sports persons from |
| | the college. |
| | • To motivate students towards dedicated practice and |
| | higher standard of excellence. |
| | • To provide specialized coaching for specially |
| | talented sport persons. |
| | • To encourage participation in the University, state, |
| | regional, national and international tournament and |
| | meets. |
| | To set up awards and provide incentives for sports |
| | achievers. |
| | 7) Time Table committee |
| | Preparation of Time Table well in time. |
| | T |

| Mechanism / Norms & Procedure for democratic /good Governance | Smooth running of the College level Committees and good Governance various committees have been appointed. New Initiative for the good governance is adopted: Enterprise Resource Planning (ERP) ERP is a concept to integrate all the resources of an institution and automate different Business and Operational processes. It combines all the statistics & development of all departments into a combined system ERP is designed and developed to serve & support multiple areas of functions such as. a.Administration b.Attendance c.Staff Management d.Student management e. Placement f. Research g. Accounts h. Library |
|---|--|
| Student Feedback on Institutional Governance / faculty performance | Regarding performance appraisal of teachers, we execute this online, students will fill the online format as per the calendar of events and same will be shared with faculty for the overall Improvement |
| Grievance redressal mechanism for faculty, staff and students | We periodically interact with the parents of the wards and attend to the grievance with regard to academic and non academic issues. We have got a faculty coordination committee, which will look into the specific suggestions as well as the issues of the faculty and make recommendations to the principal for redressal. Routine things will be taken care of by the principal. but the policy matters are referred to the managing committee. |

| SI No. | | Student Activities |
|--------|-------------|---|
| 1 | Technical | Organizing Inter college and Inter department technical fest. Encouraging students for participating in various department and inter college technical events. Organizing different technical student development programs. |
| 2 | Photography | To impart best their skill in capturing the world. Photography gives them a new angle of thought. Encourage students to present existing entity a new delightful way. |
| 3 | Literature | It comprise of events such as debate, elocution. Extempore, air crash and just a minute (JAM), running in parallel. To develop presentation skills. |
| 4 | Art | Conduct interdepartmental and inter collegiate competitions for students as well as college faculty to showcase their talent. Find the best designers for Culture, magazine and other college events. Find he best artwork by students and the faculty to be featured on the college magazine. Provide recognition and appreciation for the winners of the competitions. Guide and motivate fellow club members. Provide support to other clubs with our designing skills. |

| 5 | Dance | We would like to categorize the different types of dance forms and enroll interested participants into each category which would give them a proper exposure of the particular dance form. To impart training and practice required to showcase their talent on stage. To encourage them to participate in various other dance oriented events and provide the adequate practice required. |
|---|---------|---|
| 6 | Music | To identify and encourage the hidden musical talents among CMRIT students and staff. To conduct inter departmental and inter collegiate competition for the students. To conduct concerts in the college by inviting reputed musicians. To form a CMRIT college band and perform in various musical events. To promote Indian classical music and promote music that showcase western culture. To provide a platform to shed inhibitions and showcase talent. |
| 7 | Theatre | • Theatre club is presenting a course in "Theatre and Theatre studies", a course that will cover acting, improvisation and devising, playwriting/dramatic writing, design and direction, and reading of some of the best contemporary plays from India and around the world. The focus of the course will be to help the students find and nurture their creative interest in the field of arts, whichever be the form. The students will be invited to explore various territories of theatre, and create performances based on a varied range of themes. At the end of each year of theatre training the students will have an opportunity to take part in a full length play. The students will also have an opportunity to intern with a theatre company as assistant directors, assistant designers, stage managers and production assisants to allow them to gain valuable experience and insight into the rehearsal processes of various directors and the functioning of theatre production action companies. |
| 8 | ECO | Efforts to preserve environment Motivate students to live a life style of minimum waste generation. |

| 2. List of Experimental Setup | As prescribed by VTU Syllabus |
|--|---|
| COMPUTING FACILITIES: | |
| 1. NUMBER OF COMPUTERS | 1731 |
| 2.Number and Configuration of Systems | HP DX-2480 - 15, Intel Core 2 Duo DVD RW, Ethernet Card, HP keyboard, HP Optical Mouse, HP 17" TFT |
| | Lenova Think Centre, 18.5" TFT Monitor, Keyboard, Optical Mouse |
| 3.Total number of systems connected by LAN | 100% |
| 4.Total number of systems connected to WAN | 285 |
| 5.Internet bandwidth | 50 Mbps (Leased Line broad band) with wifi |
| 6.Major software packages available | 15 |
| 7.Special purpose facilities available | 35 |
| LIST OF FACILITIES AVAILABLE. | |
| 1.Games and Sports Facilities a) Outdoor Hockey, Football , Kho -kho , Kabaddi , volley ball ,Throw ball ,badminton b) Basketball ,Table Tennis ,Carom and Chess GYM facility for students 2 stages | We have infrastructure and equipments for physical fitness exercises, indoor and outdoor games; Our Students represent many university sports teams. |
| 2.Extra Curricular Activities | It has been a tradition at CMRIT to encourage Students to excel in all fields apart from academics. At CMRIT, we have various platforms for students to unleash their powers. Every year in the month of April, we organize our cultural extravaganza "Cultura" which has already made a branding at the national level. Students from all parts of the country have been participating in this programme. Our students have also won at many student level sports events. We celebrate every year "SPORTS DAY" during November during which various competitions will be held. Our college publishes newsletters – Jnanadhara, CISA, and ETA which are the platforms for our students to display their literary skills. |

| 3.Soft Skill Development Facilities | SOFT SKILLS DEVELOPMENT FACILITIES CMRIT has engaged the services of Globarena Group for providing soft skills and Career Development programmes for our current batch of students. These programmes which are focused on personal skills, presentation skills, body language and on developing a pro-active approach for facing campus interviews will commence from early 2007. This program will be conducted throughout the Course duration. In addition, we also have commenced the practice of testing all our students in facing group discussions, aptitude tests, recruitment tests. These tests will be held on an ongoing basis. CAREER COUNSELLING SESSIONS Career Counseling Sessions were conducted for BE Telecom and Biotech students in the month of October 2006. Counseling was done keeping in mind their interest in higher studies/taking a professional career/research. This resulted in our students getting admission with assistantship in top ranking universities like university of southern California (centre for Robotic research), University of south Florida (Nano sic research centre) and MIT (.Dept. of Telecommunication) |
|--|---|
| 4. Number of Classrooms and size of each | 89 classrooms and 75sqm 110 sqm |
| 5. Number of laboratories and size of each | 69 labs and 80sqm - 250 sqm |
| 1.Number of drawing halls and size of each | Two - each measuring 150 sq M |
| 2.Number of Computer Centers with capacity of each | 5 Computer Centers with 60 Computers in each room – Total 1731 computers in campus |
| 3. Central Examination Facility, Number of rooms and capacity of each. | All class rooms are being used during examination |

| TEA | CHING LEARNING PROCESS | | |
|---|--------------------------------------|---|-----------------------------|
| Curricula and syllabi for each of the programmes as approved by the University. | | As we are affiliated to VTU we strictly follow the curriculum and the syllabus as prescribed by the University. | |
| 2. | Academic Calendar of the University: | Available on VTU website | |
| | Events | Dates | |
| 1 | a. Commencement of Odd Semester | I Semester | Higher Semesters |
| 1 | | 01/08/2016 | 01/08/2016 |
| 2 | c. Last Working Day of Odd Semester | 19/11/2016 | 19/11/2016 |
| 3 | d. Theory Examination | 02/12/2016 to 07/01/2017 | 02/12/2016 to 07/01/2017 |
| 4 | e. Practical Examination | 21/11/2016 to 30/11/2016 | 21/11/2016 to 30/11/2016 |
| 5 | f. Commencement of Even Semester | 02/02/2017 | 02/02/2017 |

| 3. | Academic Time Table | College works from 8am to 4.00pm with a 30min break after first two hours and 40min break for the lunch from 12.40pm to 1.20 pm. Lecture hours are of 1hr (60min). duration and lab classes are of 3 hrs. duration. Looking into the no. of subjects theory and lab work (normally 6 theories and two labs) the time table committee prepares the time table for all the Classes once during odd semester again during even semester. The college works for five and a half days in a week. |
|-------|---|---|
| 4. Te | eaching Load of each Faculty | Maximum of 28 units. 1 lecture hour is 2 units And one lab session. is 3 units |
| | ernal Continuous Evaluation System and ace | As per VTU norms, In a semester Minimum of 2 tests Have to be conducted at the college. The final internal mark is the average of two tests. It is evaluated for a Max. of 25 marks (We conduct three tests, consider the best two and take the average) |
| | adents' assessment of Faculty, System in ace. | Online Feedback system is being followed. The relevant software has been developed by our own faculty |
