Subject: Accreditation status of programmes applied by CMR Institute of Technology, No- 132, AECS Layout, IT Park Road, Bangalore- 560 037, Karnataka.

Sir,

This has reference to your application No.1212- 27-01-2015 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programmes offered by CMR Institute of Technology, No-132, AECS Layout, IT Park Road, Bangalore- 560 037, Karnataka.

2. An Expert Team conducted on-site evaluation of the programmes from 21st to 23rd October, 2016. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programmes as given in the table below:

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. CMR Institute of Technology, No- 132, AECS Layout, IT Park Road, Bangalore- 560 037, Karnataka should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to CMR Institute of Technology, No- 132, AECS Layout, IT Park Road, Bangalore- 560 037, Karnataka as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programmes accreditation and not Institution accreditation. If such an instance comes to NBA’s notice, this will be viewed seriously. Complete name of the programme(s) accredited, level of programmes and the period of validity of accreditation, as well as the date from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
