Training & Development

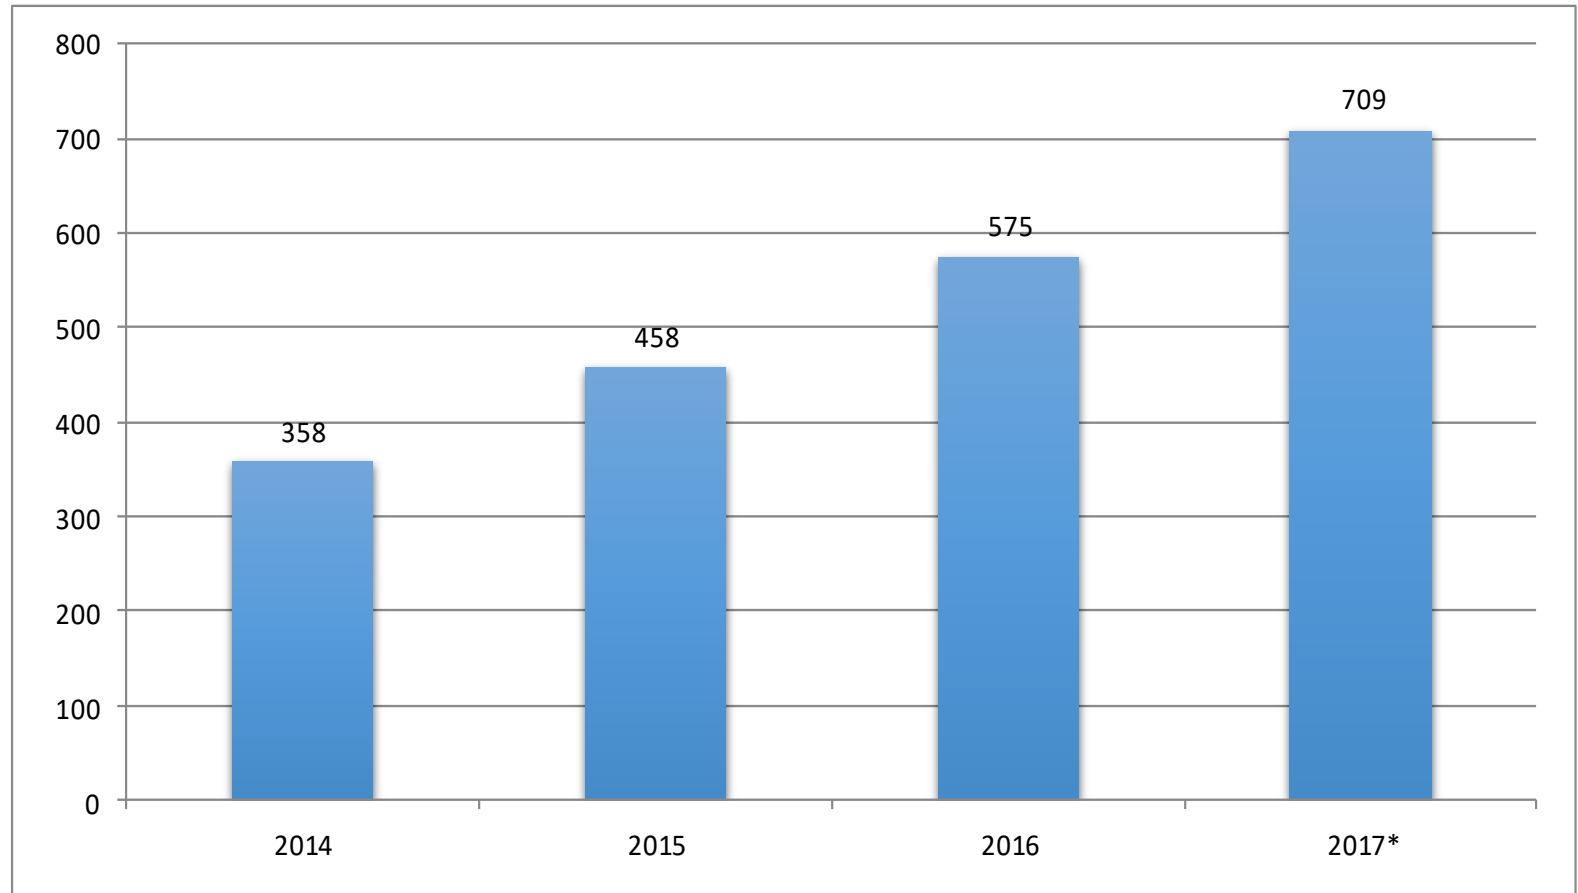

Career Guidance & Placement Bureau has been arranging various value added programs since its inception in the year- 2004. During the early stages we mostly arranged in house programmes in areas like Mock Interviews, Group Discussions, Grooming and Body Language, Creative Thinking, team development, resume writing etc.

We have also invited senior faculty from other institutions to deliver lectures on various soft skills. We continued with our in house training programs from 2005 till now as well.

Our efforts paid off as these programmes raised the confidence levels of our students enabling them to excel in placements. Our college signed an MOU with TIME in the year 2016 and organized soft-skills training programmes for BE/MBA/MCA students and continues year on year .

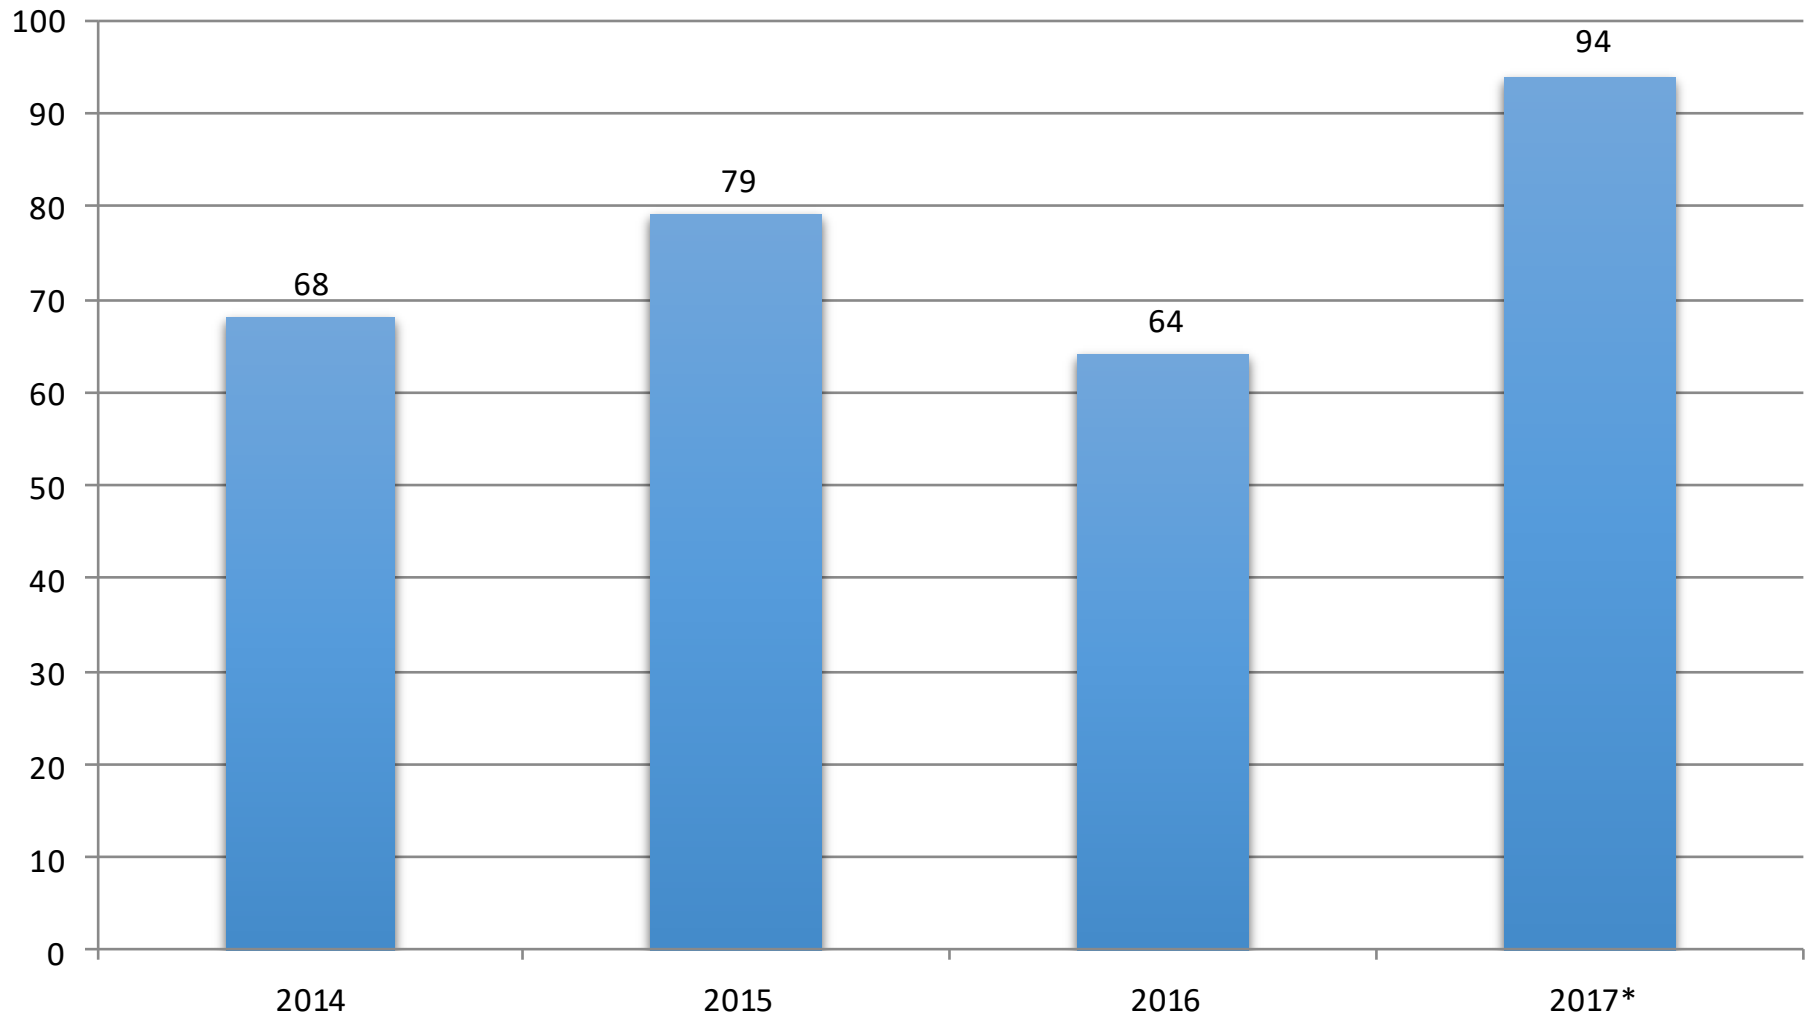

Our continuous effort to groom our students to meet the industry standards has been appreciated by leading recruiters like TCS, Infosys, My Smart Price, Amazon, Deloitte, Sony, Eurofins, SAP, Tech Mahindra, Microsoft, Accenture, Sungard, Epsilon, IICI Securities etc.
