Frequency of the Board Meetings and Academic Advisory Body Once in 6 months

Organizational Structure:

Academic & Administration committees & their functions:

- Research Committee
 - To imbibe scientific inquiry in students to prime research culture
 - To encourage research as a significant activity by focusing on thrust areas in the present day scenario.
 - To develop further association with the external agencies for funding
 - To start research forum for guiding, operating projects, publishing, conducting refresher courses, seminars, conferences, workshops and symposia.

- Recruitment Committee
 - As per the requirement, the committee takes steps to advertise and call for applications, conduct interviews and select suitable candidates for the post.
 - To identify the vacancies both teaching and non-teaching.
 - To advertise the vacancy
 - To scrutinize the applications and shortlist the candidates.
 - To constitute the interview committee and finalize the interview dates.
 - To select the candidates based on knowledge, Communication Skills, Experience (Academic / Research / Industry) and Performance in demo class.

- Examination Committee
 - To conduct End Semester Exams and Continuous Internal Assessment. To discuss the innovative methods in evaluation. (Comments in the Internal books, Question banks, Transparency etc.)
 - To look after the conduct of examinations in terms of planning of examination schedules, allocation of examination halls, invigilation roster etc.
 - To handle Exam malpractices, if any, and to devise methods to discourage the same.
 - To design more effective methods to be adopted in the evaluation of students

- Admission Committee
 - To regulate and control admission procedures and monitor admission policies subject to government regulations.
 - To set up an admission centre to disseminate information.
 - To decide on the cut-of-marks for each category.
 - To appoint counselors to guide the student.
 - To plan and conduct Admission test and interviews.
 - To finalize the Selection List.

- Purchase Committee
 - The Procurement policy of CMRIT is to ensure Transparency, fairness, equal opportunity, economy & efficiency.
 - To identify the requirement, developing specifications, suppliers, service providers, inviting proposals etc.

- Budget Committee
 - To verify previous year's budget, the expenditure incurred etc.
 - Prepare the budget for next year with consultation of HODs
 - Get the same approved by the Management.

Nature and Extent of involvement of faculty & students in academic affairs / improvements

To accomplish the involvement of faculty and students in academic affairs / improvements , following initiatives have been adopted :

- Internal Test Committee
 - Theory Internal test exams are centralized, headed by Internal test coordinator. The committee consists of departmental coordinator.
 - The committee will conduct random checks and ensures that tests are conducted smoothly.
- Library Committee
 - To discuss various aspects of the functioning of the Library
 - To evolve methods to encourage the students to utilize Library facilities
 - To discuss the allocation of library fund for various departments
 - To maintain and upgrade the infrastructure, equipment, furniture and fittings etc
 - To frame library rules geared to the smooth functioning of the library and the needs of the users
 - To ensure that the library is stocked with the latest books, journals, periodicals etc.
 - To network with other libraries and information centers.
- Grievance Redressal Committee
 - To scrutinize the grievances submitted by the employees students (Through the suggestion box / by person)
 - To suggest the recommendations to the governing council for suitable action after scrutinizing the grievances. Academic Audit Committee (AICTE/ LIC/ NBA/ VTU/ DTE)
 - Development and suplications of quality benchmarks/parameters in various activities of the institution.
 - Dissemination of information on quality aspects.
 - Organization of discussions, workshops, seminars and promotion of quality circles.
 - Recording and monitoring quality measures of the institution.
 - Acting as a nodal agency of the institution for quality related activities.
 - Preparation of the annual quality assurance report and such other reports as may be decided from time to time.
- Scholarship and Student's Aid Fund Committee.
 - To oversee the disbursement of scholarship awarded from various government bodies and other agencies.
 - To constitute various endowment funds and students aid funds
 - To identify deserving students for awarding Means and Merit cum Means scholarships
 - To oversee the process of disbursement of scholarship fund
- Placement and Career Counseling Committee
 - To place students thorough campus and off campus recruitments
 - To evolve activities for career guidance and mentoring
 - To design value added programmes which aims the personality
- Cultural Committee
 - To plan and organize functions such as Independence Day Celebrations, Republics Day, College Day, College Fests and other college functions.
 - To guide students to participate in intra-collegiate, inter collegiate, state and national level cultural competitions.
- College Hostel Committee
 - To make periodical visits to boys and girls hostels
 - To ensure the hostilities adhere to the rules and regulations of the hostels
 - To look in to the grievenesses of the hostilities.

- Disciplinary Committee
 - To supervise the overall discipline of the students on campus.
 - To ensure that the students strictly adhere to the rules and regulations of the college.
 - To ensure that the required percentage of attendance is maintained as per the University and College requirements
 - To monitor hourly attendance of the students
 - To personally keep in touch with students who fall short of the expected percentage of attendance. If necessary the parents of the same are to be met by the committee
 - To file the leave letters and medical certificates of the students
 - To Recommend disciplinary measures to the principal

- Alumni Association Committee
 - To create a database of Alumni of the various departments and have periodic interaction with them.
 - To conduct an annual CAA meet and bring together the Alumni, faculty and existing students
 - To involve the Alumni members in industry interaction activities such as projects, placements, seminars, workshops and industrial visits.
 - To utilize the potential of the Alumni for the development of the institution and for the betterment of the students on a continual basis.

- Foreign Student Association
 - To make the Foreign National Students feel at home
 - To know each other closely and to promote good harmonious relations among the students and the institution.
 - To help them to come out with their difficulties inside and outside the institution.
 - To assist the students in finding the solution to their problems.
 - To make them feel to interact with the faculties and administrative officials.
 - To provide a platform to present their customs, traditions, art etc. and also have an exposure to our culture.
 - To strengthen International relationship

- NSS Committee
 - To organize various NSS activities within and outside campus
 - To organize awareness programmes and welfare schemes in the remote places.

- Sports Committee
 - To plan various sports activities of an academic year
 - To plan for the improvement of the physical education facilities available
 - To assign grants for the development of sports and athletics
 - To identify and select talented sport persons from the college
 - To motivate students towards dedicated practice and higher standard of excellence
 - To provide specialized coaching for specially talented sport persons
 - To encourage participation in the University, state, regional, national and international tournament and meets.
 - To set up awards and provide incentives for sports achievers.

- Students Welfare Committee
 - To discuss and plan various students welfare activities such as scholarship, loans, personal counseling, book bank, medical facilities, mid-day meals etc.
 - To discuss and plan various extra-curricular activities to be organized for the students.

- Time Table Committee
 - To comprise of one or two faculty and time table co coordinators from all the dept.
 - It decides no of classes required for every subjects & also for ICP/ RC/ Bridge course in consultation with the HODs. After noon session of Day 4 is dedicated for other activities like GL/ Seminars/ workshop/ FDP.

- Magazine Committee
 - To bring out annual magazine
 - To design and prepare college prospectus / brochures
 - To bring department magazines / news letters
 - To publish books / journals

- Calendar of events Committee
 - To consolidate the plan of activities from the departments.
 - To provide all the information, both curricular and non curricular, in the college calendar.

- Website Committee
 - To assist the team to update academic activities in to the web sit
 - To make sure that web site contains highest quality & most up to date content.

- Transport Committee
 - To finalize the routes in most demand by consulting the students and faculty.
 - Arrangement of vehicle for Industrial trips, guest lectures, any events students participating in other colleges etc.

- Human Rights Committee
 - To make sure that basic human rights are not violated in the campus.
 - To monitor very closely if any draw backs, limitation and consequences occurring in the campus.
 - Any such violations are dealt and brought to the notice of the Principal & management.

- Anti-Ragging Committee
 - This committee is headed by Principal & it consists of few faculty from each dept., Parents & students representatives.
 - The committee will have vigil, over sight & patrolling functions. They will also investigate the incidents of ragging.
 - To take appropriate decision and suitable punishment to those found guilty.

<p>· Mechanism / Norms & Procedure for democratic /good Governance</p>	<p>Smooth running of the College level Committees and good Governance various committees have been appointed. New Initiative for the good governance is adopted: Enterprise Resource Planning (ERP)</p> <ul style="list-style-type: none"> • ERP is a concept to integrate all the resources of an institution and automate different Business and Operational processes. • It combines all the statistics & development of all departments into a combined system • ERP is designed and developed to serve & support multiple areas of functions such as. <ul style="list-style-type: none"> a. Administration b. Attendance c. Staff Management d. Student management e. Placement f. Research g. Accounts h. Library
<p>· Student Feedback on Institutional Governance / faculty performance</p>	<p>The institute has a clearly set and defined mechanism for obtaining the feedback from the students so as to improve the performance and quality of the institutional provisions. Student feedback is periodically collected through Enterprise Resource Planning (ERP) software system. The suggestions obtained from the feedback are considered by the management, and all viable solutions are implemented.</p> <p>Feedback analysis and reward / corrective measures taken</p> <ul style="list-style-type: none"> ➤ Recognizing the vital role of feedback process in teaching- learning, we solicit student's feedback twice in a semester. ➤ This online process is entirely transparent. ➤ Students are given a questionnaire which stresses on quality, discipline, sincerity, productivity and their suggestions and comments are solicited. The consolidated report is generated. ➤ Feedback analysis process: The feedback is shared with faculty and management. Principal studies the report and discusses the details of the feedback with individual faculty. ➤ For better performance of faculty, additional training programs like Avanti (an innovative teaching learning practice through peer instruction), FDP's are conducted and senior faculties monitor the class for evaluation and improvement. ➤ At the end of the semester, faculty demos are conducted and experts give feedback to improve the quality of teaching. ➤ Rewards and corrective measures: Once a year teachers are felicitated for better performance. Best teacher awards have been instituted in this regard.
<p>Grievance redressal mechanism for faculty, staff and students</p>	<p>We periodically interact with the parents of the wards and attend to the grievance with regard to academic and non academic issues. We have got a faculty coordination committee, which will look into the specific suggestions as well as the issues of the faculty and make recommendations to the principal for redressal.</p> <p>The students have the facility to drop their grievances in the complaint box. The students are given freedom to anonymously lodge their complaints. Students can also lodge the complaints at http://203.201.63.40/educ8_git/login.php or http://10.201.5.5/educ8_git/login.php. The necessary actions, if any, are taken immediately by the members of the committee.</p>

4. Number of scholarship offered by the institute, duration and amount						CMRIT Scholarship of Rs. 35,00,000-00 per annum/57 students 1. CMR Leadership award of Rs. 10,000-00 per annum/2students 2. CMR Sport scholarship of Rs. 10,000-00 per annum/2 students 3. Merit cum means Scholarship Rs. 10,000-00 per student for each category													
5. Criteria for fee waivers/scholarship.						<p>CMR Memorial Scholarships The CMR Memorial Scholarships are awarded to students with financial need, as determined by the CMR Scholarship Committee. It is a merit cum means scholarship. This financial aid comes from a dedicated scholarship fund of the CMR Jnanadhara Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.</p> <p>CMR Merit Scholarships Any undergraduate or postgraduate student with an outstanding academic track record will be considered.</p> <p>CMR Leadership Awards CMR Leadership Awards will be awarded to exceptional students who demonstrate the leadership qualities.</p> <p>CMR Sports Scholarships The CMR Sports Scholarship aims to promote and encourage sports activities within the CMR Group of Institutions and throughout and in the country. Types of Sports Scholarships State Level Scholarship National Level Scholarship International Level Scholarship</p>													
6. Estimated cost of boarding and Lodging in Hostels.						<p>General Hostel (Rs. 97,500 ~ Rs.108500)/year</p> <p>International Hostel (Rs. 97,500 ~ Rs.108500)/year</p>													
VIII. ADMISSION - UG																			
1. Number of seats sanctioned with the year of approval.						2017-18													
						ECE		CSE		ISE		EEE		TCE		MECH		CIV	
						240		180		120		120		60		120		120	
						TOTAL 960+ 15%PIO+5%SNO													
2. Number of students admitted under various categories each year in the last three years.																			
Category	SC	ST	CA T1	CA T2	CA T3	GM	SP T	JK	SNQ	Foreign National	Total								
2017-18	66	16	18	73	63	508	2	5	48	12	811								
2016-17	58	13	15	68	30	568	4	3	45	9	813								
2015-16	62	13	17	81	32	557	1	0	153	17	933								

3. Number of applications received during last two years for admission under Management Quota and number admitted.	Application >	Recei ved	Admitted
	2017-18	150	127
	2016-17	200	189
IX. ADMISSION PROCEDURE -- UG			
1. Mention the admission test being followed, name and address of the Test Agency and its URL (website).	1. Government of Karnataka – CET Cell (www.kea.kar.nic.in) 2. COMEDK (www.comedk.org) 3. AIEEE (www.aieee.nic.in)		
2. Number of seats allotted to different Test Qualified candidates separately [AIEEE / CET (State conducted test / University tests) / Association conducted test] (2017-18 admission)	a. CET- Govt.	432 +48 SNQ	
	b. Comed-K	288	
	c. Management	240	
3. Calendar for admission against management / vacant seats:	Time will be given by the government to fill the vacant seats and management seats a week after the date of reconciliation of CET seats at the DTE's office.		
4. Last date for request for applications.	As per Govt. instructions		
5. Last date for submission of application.	As per KEA Guidelines		
6. Dates for announcing final results.			
7. Release of admission list (main list and waiting list should be announced on the same day)			
8. Date for acceptance by the candidate (time given should in no case be less than 15 days)			
9. Last date for closing of admission.			
10. Starting of the Academic session.	Starting of 1 st Semester depends on Govt & VTU Order		
11. The waiting list should be activated only on the Expiry of date of main list.	YES		
12. The policy of refund of the fee, in case of Withdrawal should be clearly notified.	As per Admission Monitoring Committee of Government of Karnataka.		
X CRITERIA AND WEIGHTAGES FOR ADMISSION			

1. Describe each criteria with its respective weight ages i.e. Admission Test, marks in qualifying examination etc.	a. CET- Govt.	Eligibility for admission as per AICTE and VTU. The student should have passed 2 nd PUC /12 th or equivalent and obtained 45% in Physics and Mathematics along with chemistry/Computer science /Biology /Electronics SC/ST & other Back ward candidate have passed 2 nd PUC /12 th or equivalent and obtained 40% in Physics and Mathematics along with chemistry/Computer science /Biology/Electronics		
	b. Comed-K	----- do-----		
	c. AIEEE	----- do-----		
	d. Others	----- do-----		
2. Mention the minimum level of acceptance, if any.	As per AICTE and VTU it is 45%			
3. Mention the cut-off levels of percentage & percentile scores of the candidates in the admission test for the last three years. (CET)	Academic Year	Cut off %		Min -Score of the candidate
		Gen	SC/ST	
	2017-18	45%	40%	45%
	2016-17	45%	40%	45%
2015-16	45%	40%	45%	
Item No I - IX must be given in information brochure and must be hosted as fixed content in the website of the Institution.				

XI. ADMISSION – PG												
1. Number of seats sanctioned with the year of approval.							2017-18					
							M.Tech			MBA/MCA		
	DC	DE	VLSI	CSN	CSE	MMD	MBA	MCA				
	18	0	24	18	24	18	120	120				
							TOTAL 342					
2. Number of students admitted under various categories each year in the last two years.												
Category	SC	ST	CA T1	CA T2	CA T3	GM	SPN	FN	Total			
2017-18	9	0	0	9	5	151	0	0	174			
2016-17	10	0	3	13	9	153	1	2	191			
3. Number of applications received during last two years for admission under Management Quota and number admitted.							Application >		Recei ved	Admitted		
							2017-18		50	28		
							2016-17		80	62		
XII. ADMISSION PROCEDURE												
1. Mention the admission test being followed, name and address of the Test Agency and its URL (website).							1. PGCET -Government of Karnataka – CET Cell (www.kea.kar.nic.in)					
							2. KMAT – Management Association					
							3. GATE for M.Tech – IIT					
							4. CAT for MBA - AICTE					
2. Number of seats allotted to different Test Qualified candidates separately [CET (State conducted test / University tests) / Association conducted test] (2017-18 admission)							a. PGCET/GATE/CAT- Govt.		146			
							c. Management (KMAT)		28			
3. Calendar for admission against management / vacant seats:							Time will be given by the government to fill the vacant seats and management seats a week after the date of reconciliation of CET seats					
4. Last date for request for applications.							As per Govt. instructions					
5. Last date for submission of application.							As per KEA Guidelines					
6. Dates for announcing final results.												
7. Release of admission list (main list and waiting list should be announced on the same day)												
8. Date for acceptance by the candidate (time given should in no case be less than 15 days)												
9. Last date for closing of admission.												
10. Starting of the Academic session.												
11. The waiting list should be activated only on the Expiry of date of main list.												
12. The policy of refund of the fee, in case of												
XIII CRITERIA AND WEIGHTAGES FOR ADMISSION												

1. Describe each criteria with its respective weight ages i.e. Admission Test, marks in qualifying examination etc.	a. CET- Govt.	<p align="center"><u>M.Tech</u></p> <p>Eligibility for admission as per AICTE and VTU .The student should have passed Bachelor’s Degree or equivalent and obtained 50% in appropriate branch. CS/IS/ECE/TCE/ME/IT GATE &AMIE Scores for Corresponding branch</p> <p>SC/ST & other Back ward candidate have passed Bachelor’s Degree or equivalent and obtained 45% in appropriate branch. CS/IS/ECE/TCE/ME/IT GATE &AMIE Scores for Corresponding branch</p> <p align="center"><u>MBA/MCA</u></p> <p>Eligibility for admission as per AICTE and VTU The student should have passed Bachelor’s Degree or equivalent and obtained 50% in appropriate branch.</p> <p>SC/ST & other Back ward candidate have passed Bachelor’s Degree or equivalent and obtained 45% in appropriate branch</p> <p>MCA: with the above Mathematics/Statistics /computers as one of th optional at Degree level</p>		
	b. GATE	----- do-----		
	c. CAT	----- do-----		
	d. Others	----- do-----		
2. Mention the minimum level of acceptance, if any.	As per AICTE and VTU it is 50%			
3. Mention the cut-off levels of percentage & percentile scores of the candidates in the admission test for the last three years. (CET)	Academic Year	Cut off %		Min -Score of the candidate
		Gen	SC/ST	
	2017-18	50%	45%	50%
2016-17	50%	45%	50%

2. List of Experimental Setup	As prescribed by VTU Syllabus
COMPUTING FACILITIES:	
1. NUMBER OF COMPUTERS	1623
2.Number and Configuration of Systems	HP DX-2480 - 15, Intel Core 2 Duo DVD RW, Ethernet Card, HP keyboard, HP Optical Mouse, HP 17" TFT Lenova Think Centre, 18.5" TFT Monitor, Keyboard, Optical Mouse
3.Total number of systems connected by	100%
4.Internet bandwidth	105 Mbps (Leased Line broad band) with wifi
5..Major software packages available	25
LIST OF FACILITIES AVAILABLE.	
1.Games and Sports Facilities a) Outdoor Hockey, Football , Kho -kho , Kabaddi , volley ball ,Throw ball ,badminton b) Basketball ,Table Tennis ,Carom and Chess GYM facility for students 2 stages	We have infrastructure and equipments for physical fitness exercises, indoor and outdoor games. Hi-tech gymnasium caters to the needs of the students and staff. A fully equipped gym with a qualified fitness instructor is also located in the central student canteen building. Sports equipment for cricket, football and table tennis are available for the students. Visvesvaraya Technological University has been organizing tournaments at our campus. Our students have won awards at state and national level and also are selected to represent the university.
2.Extra Curricular Activities	<p>Cultural Activities: Important cultural activities in the college are:</p> <p>CULTURA</p> <p>The Inter collegiate cultural, Technical and Management fest – CMR “Cultura” is held in second week of February every year. This fest sees the participation of more than 2000 students from across the country. It is a perfect blend of creativity and managerial skills. Exciting events such as Battle of Bands, Beat Boxing, and Quiz besides the usual competitions like western Dance, Fashion Show etc are organized to motivate help students to build their personality unleashing the best talent among them.</p> <p>KANNADA RAJYOTSAVA celebration</p> <p>Chief guest Sri. Chakravarty Sulibele inspired the students of CMRIT with his talk on the importance of Kannada language and the contribution of Kannada language towards the national development. Eminent scientist Sri. Sudhindra Haaldodderi narrated the contribution of Karnataka in the field of technology. He paid tributes to Sir M Vishveshwaraya, a true Kannadiga and inspired the budding engineers present to follow his footsteps.</p> <p>Founder's Day</p> <p>CMR Group of Institutions celebrates Founder's Day on November 19th every year. The prestigious CMR Seva Puraskara Award along with the CMR Memorial and CMR Sports Scholarships amounting to 20 lakhs was given away to over 130 deserving students on the occasion of Founders Day. There was also felicitation to Ph.D. awardees and distribution of distinguishing service awards to the faculty. Mementoes were presented to newly married couples from the faculty. A key highlight of the Founders Day was also the presentation of the CMR Leadership Award. The CMR Leadership award was instituted in 2009 to acknowledge exemplary students from each institution under the CMR umbrella based on their consistent contribution towards academics, sports, co-curricular activities as well as contribution towards the society.</p>

<p>3.Soft Skill Development Facilities:</p>	<p>Innovative process is required in a college to positively impact students to be responsible and capable of contributing to the growth of the society. In recent times the demand for Engineers has tremendously increased because of which many Engineering colleges are mushrooming paving way for the entry and admissions of even the average and also below average students. For example below are the following innovations especially entrepreneurs and innovators. To meet these demands, the following are some initiatives being undertaken:</p>
<p>Maker Space</p>	<p>The Maker Space @ CMRIT is a melting pot of talent and ideas from across departments and specializations. These ideas are then transformed into tangible objects that draw upon inter-disciplinary skills and knowledge.</p> <p>All that is needed to use the Maker Space is the willingness to try out things and the attitude to persist through set-backs. To aid the pursuit of this goal, the Maker Space is equipped with the following:</p> <p>(i) Hand tools (ii) Power tools (iii) Laser Cutter (iv) CNC Router (v) 3D Printers (vi) The Maker Store (vii) Workshop/Ideation zone (viii) Junk store</p>
<p>Incubation Center</p>	<p>The CMRIT Incubation Center, along with the CMRIT MakerSpace, aims to be the hub of innovative and high impact ventures in social, educational, commercial and other domains. It hopes to bring forth a revolution in how and what students learn and achieve while in college.</p>
<p>Prepare Program</p>	<p>Goal: Meticulous and smart preparation is required by the students as a first step into a bright career. To help students in this direction, department of TCE in association with placement cell-CMRIT, structured a comprehensive “PREPARE” program for all the pre-final year students. “PREPARE” program is structured based on:</p> <ul style="list-style-type: none"> ● Feedback from interview panelists of various companies ● Feedback from the graduating students of the 2015 batch ● Our experience in placement drives <p>The program is streamlined into following six courses which were tailored to bridge the gap between academia and industry.</p> <ul style="list-style-type: none"> ● Infosys Campus Connect ● Cloud Infrastructure ● Web Applications ● MATLAB Applications ● Embedded Design ● OS(Linux and Android).
<p>4. Number of Classrooms and size of each</p>	<p>90 classrooms and 75sqm-- 110 sqm</p>
<p>5. Number of laboratories and size of each</p>	<p>69 labs and 80sqm - 250 sqm</p>
<p>6. Number of drawing halls and size of each</p>	<p>Two - each measuring 150 sq M</p>
<p>7.Number of Computer Centers with capacity of each</p>	<p>2 Computer Centers with 150 Computers in each room</p>
<p>8. Central Examination Facility, Number of rooms and capacity</p>	<p>All class rooms are being used during examination</p>

TEACHING LEARNING PROCESS			
1. Curricula and syllabi for each of the programmes as approved by the University.		As we are affiliated to VTU we strictly follow the curriculum and the syllabus as prescribed by the University.	
2. Academic Calendar of the University:		Available on VTU website	
	Events	Dates	
	a. Commencement of Odd Semester	I Semester	Higher Semesters
		07/08/2017	07/08/2017
	c. Last Working Day of Odd Semester	25/11/2017	25/11/2017
	d. Theory Examination	11/12/2017 to 30/12/2018	11/12/2017 to 10/01/2018
	e. Practical Examination	29/11/2017 to 08/12/2017	29/11/2017 to 08/12/2017
	f. Commencement of Even Semester	01/02/2018	01/02/2018

3. Academic Time Table	<p>Academic time table is as per the University schedule. The college working hours is as mentioned below:</p> <table border="1" data-bbox="636 220 1247 415"> <thead> <tr> <th colspan="3">WORKING HOURS</th> </tr> <tr> <th>Level</th> <th>From</th> <th>To</th> </tr> </thead> <tbody> <tr> <td>UG</td> <td>8am</td> <td>4pm</td> </tr> <tr> <td>PG</td> <td>8am</td> <td>4pm</td> </tr> <tr> <td colspan="2">No. of working days per week</td> <td>Five & Half days per week</td> </tr> </tbody> </table>	WORKING HOURS			Level	From	To	UG	8am	4pm	PG	8am	4pm	No. of working days per week		Five & Half days per week
WORKING HOURS																
Level	From	To														
UG	8am	4pm														
PG	8am	4pm														
No. of working days per week		Five & Half days per week														
4. Teaching Load of each Faculty	<p>The University has adopted Choice Based Credit System (CBCS) from the academic year 2015-16. UG : Maximum of 30 units / Week. : (24 lecture hours + 6 units for Practical) PG :</p> <ul style="list-style-type: none"> • MBA : Maximum 30 units/Week : (18 lecture hours + 12 units for Practical / Field work) • MCA :Maximum 29 Units/Week : (20 lecture hours + 09 units for Practical / Field work) • M.Tech : Maximum 33 Units/Week: 20 lecture hours + 13 units for Practical / Field work / tutorial) 															
5. Internal Continuous Evaluation System and	<p>As per the University norms, In a semester Minimum of 2 tests have to be conducted at the college. The final internal mark is the average of two tests. (We conduct three tests, the best two will be considered).</p>															
6. Students' assessment of Faculty, System in place.	<p>Online Feedback system is being followed. The relevant software has been developed by our own faculty.</p> <p>The Institution encourages various stakeholders such as students, parents, alumni and industry people to give their feedback and communicates them to the university. The Institution collects all feedbacks and communication in the form of questionnaires and forms, analyze and develop areas of improvement on it.</p> <p>Parents Regular parent – Teacher meetings are organized to solicit parents concerns and views on the curriculum.</p> <p>Students The class committee meetings which will be held periodically provide a platform for the students to discuss academic and non-academic issues. Difficulties experienced by the students are noted and the bridge courses and remedial classes are conducted for effectively helping the students understand the curriculum.</p> <p>Alumni The alumni who visit Institution and also through E-Mail/Social Network give constructive suggestions on helping the students achieve greater focus and improving themselves.</p> <p>Employers/ Industries Each department has departmental advisory body which invariably has experienced personnel from industry as members along with academicians. Their valuable suggestions during meetings in improving the curriculum helps to bridge the gap between industry institute. The Institution also collects feedback from the recruiters on the performance of students. This enables the Institution to understand what industry expects from the students and act accordingly.</p> <p>Academia Academicians visit the institution from all over India and also from abroad. Their views on the curriculum are obtained and efforts are made to incorporate the same. The Institution takes part in the curriculum development process through appropriate analysis of feedback given by the various stake holders from time to time and makes suggestions for modifying curriculum.</p>

Annexure 11

10	Analog Electronic Lab -I	100	CRO, Power supply Dual, Power supply single, Signal Generator, Pulse generator, DSO, Servo voltage stabilizer	9.81
	LIC and Communication Lab - I		DSO, Signal Generator, Power Supply, Fixed Power supply, CRO, IC Tester, LabView, Pulse generator, PCs, Projecotr, Servo voltage stabilizer	17.87
11	Analog Electronics Lab-II	100	CRO, Power supply Dual, Power supply single, Signal Generator, Pulse generator, DSO, Servo voltage stabilizer	9.81
	LIC and Communication Lab - II		DSO, Signal Generator, Power Supply, Fixed Power supply, CRO, IC Tester, LabView, Pulse generator, PCs, Projecotr, Servo voltage stabilizer	17.87
12	Microprocessor Lab- I(4th Sem)	100	PCs, PCI Cards, Interfacing cards	9.45
	Microcontroller Lab-I		PCs, Microcontroller Trainer kit, CROs, MSP 430 Evaluation kit, Tacheometer, Projector	9.4
13	Microprocessor Lab- II(4th Sem)	100	PCs, PCI Cards, Interfacing cards	10
	Microcontroller Lab-II		PCs, Microcontroller Trainer kit, CROs, MSP 430 Evaluation kit, Tacheometer, Projector	9.4
14	M Tech VLSI LAB	70	Lenovo computer systems, FPGA, Image Processing Board,	37.14
15	Research Lab	35	PCs, IBM Server, Cadence tool, FPGA Virtex kit, Altium soarce board, NI Data acquisition board, NI Image processing	30

Department Wise Laboratory Details

Telecommunication Engineering

Sl. No	Name of laboratory	Carpet area (sq mt)	Major equipment	Total investment till date (Rs. In Lakh)
1	Microcontroller lab	100	Microcontroller kits with peripherals, Dell computers with dual core	7.71
	DSP lab		Dell computer with Dual core, DSsp starter kit	9.75
	ARM Lab		Dell Computer with ARM Cortex M4 kit	1.85
2	HDL lab	100	DELL COMPUTER, CPLD kits, FPGA kits,	10.65
	CCN lab		DELL computer, CCN trainer kit	5.89
3	Analog Electronics Lab	100	CRO, signal generators, POWER SUPPLY	7.15
	Microwave lab		KLYSTRON test bench with accessories with gun bunch, DSO, CRO, signal generators, POWER SUPPLY	7.5
4	Logic Design Lab	100	Digital trainer kit, IC tester	3.22
5	Microprocessor Lab	70	Dell computer with Dual core	7.57
	M.Tech lab - Digital Communication		FEKO simulation software, DELL computer with dual core	12.61
6	Advanced Communication Lab	100	DSO, CRO, signal generators, POWER SUPPLY, OPTICAL FIBER KIT, QPSK, PCM, DPSK kit	7.79
	AC+LIC lab		DSO,Signal generators, CRO	8.56

Department Wise Laboratory Details

Civil Engineering

Sl. No	Name of laboratory	Carpet area (sq mt)	Major equipment	Total investment till date (Rs. In Lakh)
1	Survey Lab	100	Pentax Total Station, Prismatic Compass, Theodolite, Plane table and accessories, Digital Planimeter, Box sextants,	18.06
2	Geo- Technical Lab	200	Tri-axial Apparatus consisting of load ,Direct shear apparatus motorised ,Unconfined compression tester	12.6
3	Concrete & HighwayEngg Lab	100	Compression Testing Machine, Los-angels abrasion Testing Machine. MmArshal Stability Test Aparatus, CBR Testing Aparatus	14.76
4	Basic Material Testing Lab	100	Universal Testing Machine	10.47
5	Hydraulics & Hydraulic	200	Vertical Orifice Set-up,Calibration of Pressure Gauge	5.31
6	Geology Lab	120	Rocks & Minerals ,Models & Charts	2.04
8	Environmental Engg Lab	140	BOD, Incubator and Furnace	8.43
9	CAD Lab	100	Stadd Pro Software	9.4

Department Wise Laboratory Details

Mechanical Engineering

Sl. No	Name of laboratory	Carpet area (sq mt)	Major equipment	Total investment till date (Rs. In Lakh)
1	Metallography and Material Testing Lab	100	Trinocular metallurgical microscope (make-Metzer) - 3 nos, Single disc polishing machine(make-metzer), Wear and friction monitor(make-ducom), Rotating beam fatigue testing machine(Ducom), Rockwell Hardness tester(make-FIE Model-RASN), Universal Testing Machine(make-FIE, capacity 60 ton), Vicker's Hardness tester(make-FIE, Model-VM50), Impact testing machine(Make-FIE , model-IT30), Mechanical Extensometer(for UTM)(make-MITUTOYO), Brinell hardness tester(make-Saroj, model-3000h), Torsion testing machine (make-FIE, model TT10)	21.33
2	Foundry and forging Lab	200	Universal sand testing machine(make- Versatile),model-VUN, Sand Rammer (make-Versatile,model-VR), Clay content tester(make-versatile,model-VCW), Rapid moisture tester(make-versatile,model-VM), Permeability meter (make-versatile,model-VP), Seive Shaker with 10nos of sieves(power pack), Mould hardness tester(make-versatile,model-VMHB), Core Hardness tester(make-versatile,model-VCH), Specimen driver with digital temp. indicator(hot air)	10.76

Department Wise Laboratory Details

Annexure 11

3	Machine Shop	230	Surface grinding machine (make-Bhurji) with all accessories and 8X12"magnetic chuck, Radial drilling machine (m/c no. 156/2011), Shaping machine Size-18" stroke(make Sagar) - Hand Drilling machine (make-Bosch), Universal machine (make- BFW model UF1), Lathe 5' 3" bed length (make-sabari) - 14 Nos, Pedastal grinding machine(make-swagath), Granite surface plate (make-mmt)630X630X80mm, MS stand for granite, Cast iron surface plate (mmt) 630X630	35.75
4	Design Lab	100	Journel Bearing, Photo elastic Bench, Vibration Experiment Setup, Critical speed of Shafts, Motorized Gyroscope, Balancing of rotating mass	8.7
5	CIM & Automation Lab	100	Cadem 12 Software, 30 Softwares, 30 Systems: Processor: Intel Core 2 Duo, 80 GB Hard Disk, 17" Monitor, RAM 2 GB	18.2
6	Metrology & Measurements	100	Mechanical comparator (dial gauge(make-mitutoyo)), MS stand for granite, Cast iron surface plate (mmt) 630X630, Mechanical comparator (dial gauge(make-mitutoyo)), Gear tooth vernier calipers(make-Aditya), Micrometer(make-Mitutoyo), Thermocouple (make-Digitrack), Monochromatic check light(make- Prisms india), Autocollimeter(make-Prisms india ltd), Pitch gauge(make-Mitutoyo), Floating carriage micrometer(make-Aditya),Pressure measuring system , UPS B100 DC input-24v,26Ah SMF rocket, Drill Tool dynamometer(make-IUSTROL DEVICES)	10.2

Department Wise Laboratory Details

Annexure 11

7	Energy conversion	130	Redwood Viscometer, Saybolt Viscometer, Cleaveland flash point apparatus, Abels flash point apparatus, Pressure Gauge, Single Cylinder 4 stroke Desil engine test rig, Variable Compression ratio Petrol Engine test rig, Torsion Viscometer, Cleav land Flash and fire point apparatus, Junkers gas calorimeter, Valve timing diagram, Port timing diagram, Planimeter	10.64
8	Fluid Mechanics	200	Calibration of Venturimeter, Calibration of Orificemeter Flow through nozzle, Impact of jet of vanes, Pelton Wheel turbine with multi stage centrifugal pump, Kaplan Turbine, 2 stage reciprocating air compressor, Centrifugal blower, Determination of coefficient of friction of flow in pipe, calibrations of v-notch, Performance test on single stage centrifugal pump, Performance test on reciprocating pump, Major Losses in Pipes, Minor Losses in Pipes	9.2
9	Heat & Mass Transfer	200	Natural convection apparatus, Surface emissivity apparatus, Pin Fin apparatus, Composite Wall apparatus, Transient Heat Conduction apparatus, Forced convention apparatus, Critical Heat Flux apparatus, Stefan Boltzmann apparatus, Heat Exchanger apparatus, Condensation Apparatus, Thermal conductivity of metal rod	8.29
10	Computer Aided Modeling and Analysis Lab	100	Ansys 14.0 (software) – 25 user licence, 24 Systems: Processor: Intel Core 2 Duo, 80 GB Hard Disk, 17” Monitor, RAM 2 GB	15.8
11	M.Tech MMD Lab	70	Ansys Tool, DELL computer with dual core, projector	12.9

Department Wise Laboratory Details
Electrical & Electronics Engineering

Sl. No	Name of laboratory	Carpet area (sq mt)	Major equipment	Total investment till date (Rs. In Lakh)
1	Analog Electronics	120	Digital oscilloscopes, LRC Meter, signal generators	13.63
	Power Electronics		Digital oscilloscopes, LRC Meter / Differential probes, Digital oscilloscopes	14.91
2	Logic Design	100	Digital IC Trainer Kits Oscillope-DTO-20,regulated power supply (0-30v/2A) ,Dual IC Tester	3.63
3	Power System Simulation	100	Mipower simulation package,Keyboards, Kaspersky antivirus software	11.64
	Microcontrollers Lab		Micro Controller Trainer Kit,Kaspersky antivirus software, DC servomotors,mother boards	8.4
	CAED Lab - Electrical		Desktop PCs, printers	3.23
4	Measurements and Circuit	100	kelvins double bridge, phase shifting transformers, Meters,DRB, DCB, DIB, Signal generator, DC multiple power supplies, phase sequence meter	11.01
	Control Systems		AC Servo motor, DC servomotors, Desktop PCs, Network printer,Kaspersky antivirus software	10.71

Department Wise Laboratory Details

Annexure 11

5	Transformers and Induction (Electrical machines I)	200	Single phase transformer, 3 phase variacs(4), 3 phase induction motor/shunt motor, slip ring induction motor / dc compound motor compound generator set,dc shunt motor (2), dc shunt motor generator set,ac 3 phase induction motor shunt generator,dc series motor series generator, dc shunt motor 3 phase alternator,dc shunt motor 3 phase alternator with sync panel,GLS lamp load, rheostat, 3 phase variacs(2), autotransformer, Power transformers, 3 phase autotransformer, Rheostat, wattmeters	11.51
	DC Machines and Synchronous (Electrical machines II)		dc shunt motor, 3 Phase IM shunt generat,dc shunt motor generator set,ac 3 phase , dc shunt motor 3 phase alternator,rheostat, DC shunt motor-alternator test rigs (salient and non salient poles), single phase variac, 3 phase variable pure inductive load	12.5
6	Relay and High Voltage Lab	240	HVAC and HVDC rod gap assembly set,Elect,RAEDK with RXTUG22H Relay, REL511 relay, SPAM 150c Relay, ICM21P Relay,TURH kit, microprocessor based OV/UV relay, water resistor	15.77
