Alumni Meet 2022 - Report

Alumni association members Mr. Kedar Rao and Mr.Pavan Tej anchored the event, Alumni’s interaction with the students was remarkable as they gave some tips and suggestions on resume building and gave a brief idea about the expectations of a company, and explained the significance of mini projects in the placement process. The alumni had successfully completed their mini projects, which added value to their resume. Pre Final year students and second year students had a great session interacting with these alumni. Many speakers emphasized on the importance to handle that is both equipped from instructors as well as peers and family life. All the students emphasized on one common goal that is do what your heart desires.

Following this the Alumni interacted with the Faculty and shared their experiences about “**Life after graduation**” and the opportunities which were provided to them because of the knowledge and experience gained in CMRIT. They shared the challenges in the Industry, and the current technologies they use in the projects.

The event concluded with the Alumni discussion on the future support by them to the college in various aspects as mentioned above and later they proceeded for lunch arranged in Canteen block.

Later Alumni’s went to respective departments to interact with students at departments.
