## CMR Students Take Pledge to Vote Responsibly on National Voters' Day 2023

● January 25, 2023

**Bengaluru, 25 January 2023:** More than 200 students of CMR University & CMRIT participated in the **Voters' Day Awareness Program** conducted in the college campus.

On the occasion of National Voters' Day 2023, the students took a pledge stating, *"Being a part of the world's largest democracy, we understand our right to exercising universal adult franchise is essential to contribute to a successful people's country. As citizens of a nation that has electoral activities every year, we should apply our vote without any biases and vote out of our own free will."*

The Voters' Day Awareness was held in order to encourage students of CMR University to bring forward more young voters to take part in the electoral process. This is in line with the mandate set by the Election Commission of India for educational institutions to be observed each year on campus.
